SAN DIEGO
U S MAIL

The San Diego Zoo has long been world-acclaimed as San Diego's greatest attraction and city trademark. With such a favorable landmark in our own neighborhood, the SAINTSMAN 1960 has chosen "A Tour of the Zoo" as its theme. On each division page, a picture has been placed that is most appropriate for the situation. We hope that you, the reader, will look upon the theme with such humorous observations as we did, because, after all, it is said that animals only show a reflection of human nature.

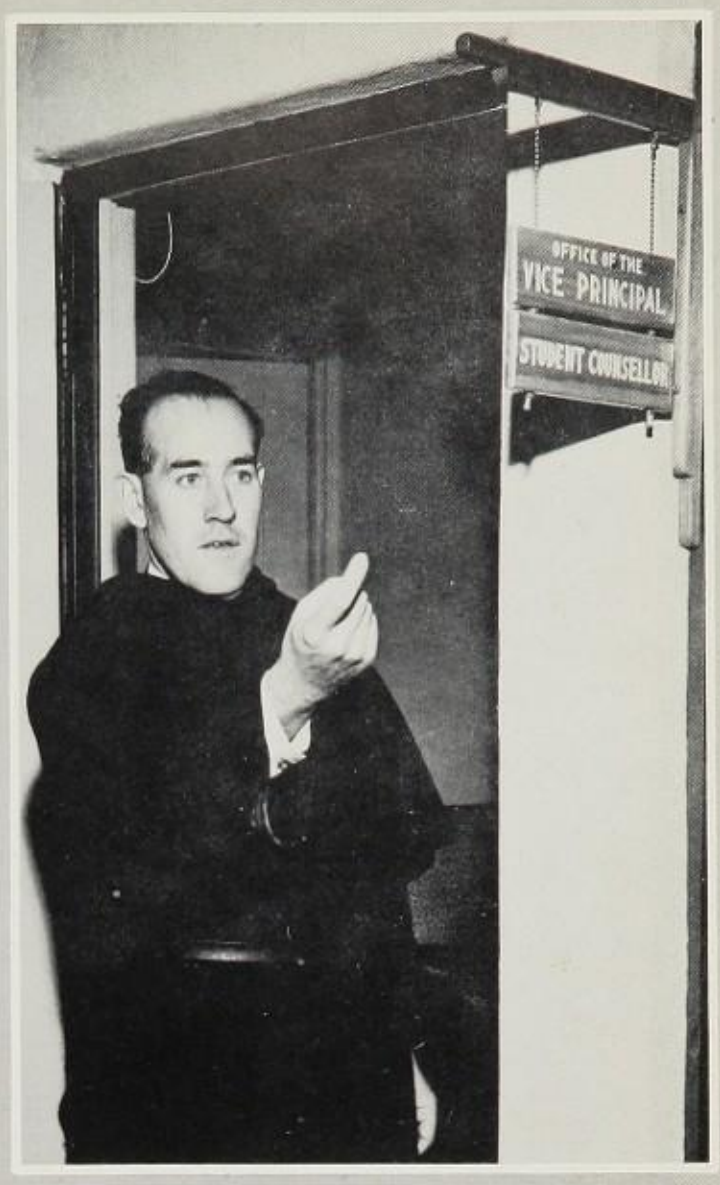
Fr. John Glynn O.S.A.

We, the students of St. Augustine High School, dedicate this, our SAINTSMAN to Father John Glynn, O.S.A. Father Glynn, besides being counsellor, teacher and disciplinarian for 19 years here at Saints, was also a cherished friend to us all.

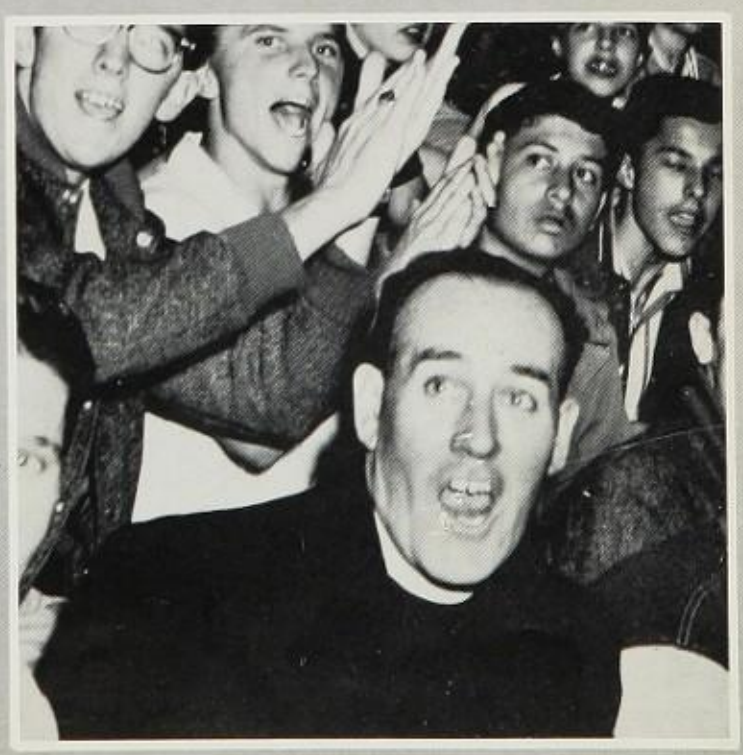
Father Glynn came to Saints 19 years ago. Since that time he has acted as a teacher in such subjects as geometry and Latin. He has acted as a counsellor by helping the many students who otherwise would have been lost in the crowd. As disciplinarian Father worked constantly for the betterment of student behavior on and off campus.

Father was born in Lawrence, Massachusetts and educated at St. John's Prep School in Danvers, Massachusetts. Later he attended Villanova College and the Catholic University at Washington D.C. It was here in 1939 that he was ordained as a priest in the Order of St. Augustine.

The students of Ojai are indeed fortunate to receive such a man as a member of their faculty. Those of us who know Father Glynn are sure that he will go straight to the hearts of his new students as he has gone straight to ours and there remain forever.



DEDICATION



His Excellency,
Most Reverend
Charles F. Buddy
Bishop of San Diego

Very Reverend John R. Aherne. O.S.A. Commissary Provincial

Father John R. Aherne, O.S.A., principal of Saint Augustine High School since 1953, was appointed Commissary Provincial of the Augustinian vice-province on the West Coast earlier this school year. Father Aherne's appointment followed closely the sad news of the death of Father Thomas Austin, O.S.A., the previous Commisary Provincial, in October of 1959.

In his new position, Father Aherne now has authority over the order's establishments here at Saints and St. Patrick's Parish in San Diego, Our Mother of Good Counsel Parish in Hollywood, and Villanova Prep School at Ojai, California.

FACULTY

Our brilliant, wise, and personable faculty, although seemingly set apart from the student body by a barrier of dignity, have again managed to turn out a class of finished high school graduates from an abounding supply of fun-loving Saintsmen. This year, our educators have again succeeded in projecting their wisdom to the students and, as always, have tried to cultivate their minds to a balanced, spiritual-educational level.

Theirs is the immediate fate which awaits all high school teachers, but theirs also is the long-range reward of fulfillment which comes from imparting their knowledge to the young. Without them all would have to learn by experience—by trial and error; a method prevented through the unselfishness and self-sacrifice of a group of Augustinian priests and dedicated Catholic laymen who comprise our faculty.

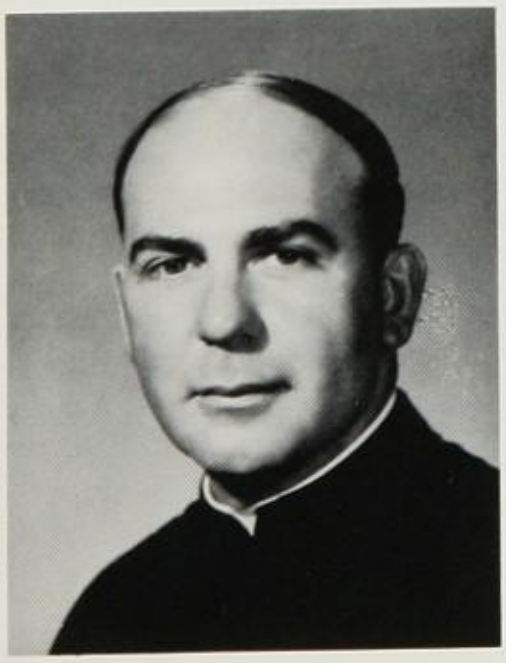
ADMINISTRATION

Very Reverend John R. Aherne, O.S.A., School Principal

Father John R. Aherne, honored principal of our school, directs or oversees almost every phase of Saints' scholastic and physical life. As head of the English Department, Father Aherne conducts a senior class in Honors English. It is to his credit also that an extensive honors course has been established covering the field of Math for all four grade levels. This is an extension of last year's singular Honors Math and Physics course limited to seniors. With such diligent yet forceful direction, the administration of the school will continue to operate as the precisioned machine it is.

Mr. John Finan, hard working vice-principal after serving a year as athletic director. Carrying the title of "sheriff", he successfully maintains a strict order of discipline which is vital to the atmosphere. Between his official duties, Mr. Finan finds time to teach freshmen algebra and mechanical drawing. His time spent in the discipline office is continuously interrupted by streams of students seeking admission slips, gym excuses, etc., but his superabundant spirit and devotion to students merit him as one of the most respected men on campus.

Fr. Charles Danaher, O.S.A., Prior and Procurator of Saint Augustine. Father has for his responsibility all the school expenditures. Besides keeping his hand in the treasury, Father is Junior class counselor which keeps him busy with the junior breakfast, rings, and jackets. Father is known around the campus for his subtle humor and his pets, Baby and Ella. His home room is 4-D.



Fr. Williams, O.S.A., our able Administration assistant, responsible for all academic schedules, student placement, examination scheduling, and recording of all student marks. The seriousness of his work is seen also in the laborious efforts he puts in the Mothers' Club Fashion Show and the C.S.F. dance, Blue Balloon Bounce. Father moderates the Austin Guild, California Scholarship Federation, and teaches French I, II, and Spanish II. His home room is 4-C.

What money Father?

Brother Nicholas, O.S.A. . . . Saints '54 . . . Takes good care of the campus . . . Has a friendly smile and/or a greenie for everyone.

From the opening bell at 8:15 until the final stampede at 240, 711 students offer the candid camera moments to be forever lived on paper. Students can be found almost anywhere, anytime, signing greenies, suffering in jug, doing last minute homework, banging lockers between periods, or illegally talking in Sheehan Hall. Yet without all the commotion and chaos which the student-masses give, Saints' would not be Saints'.

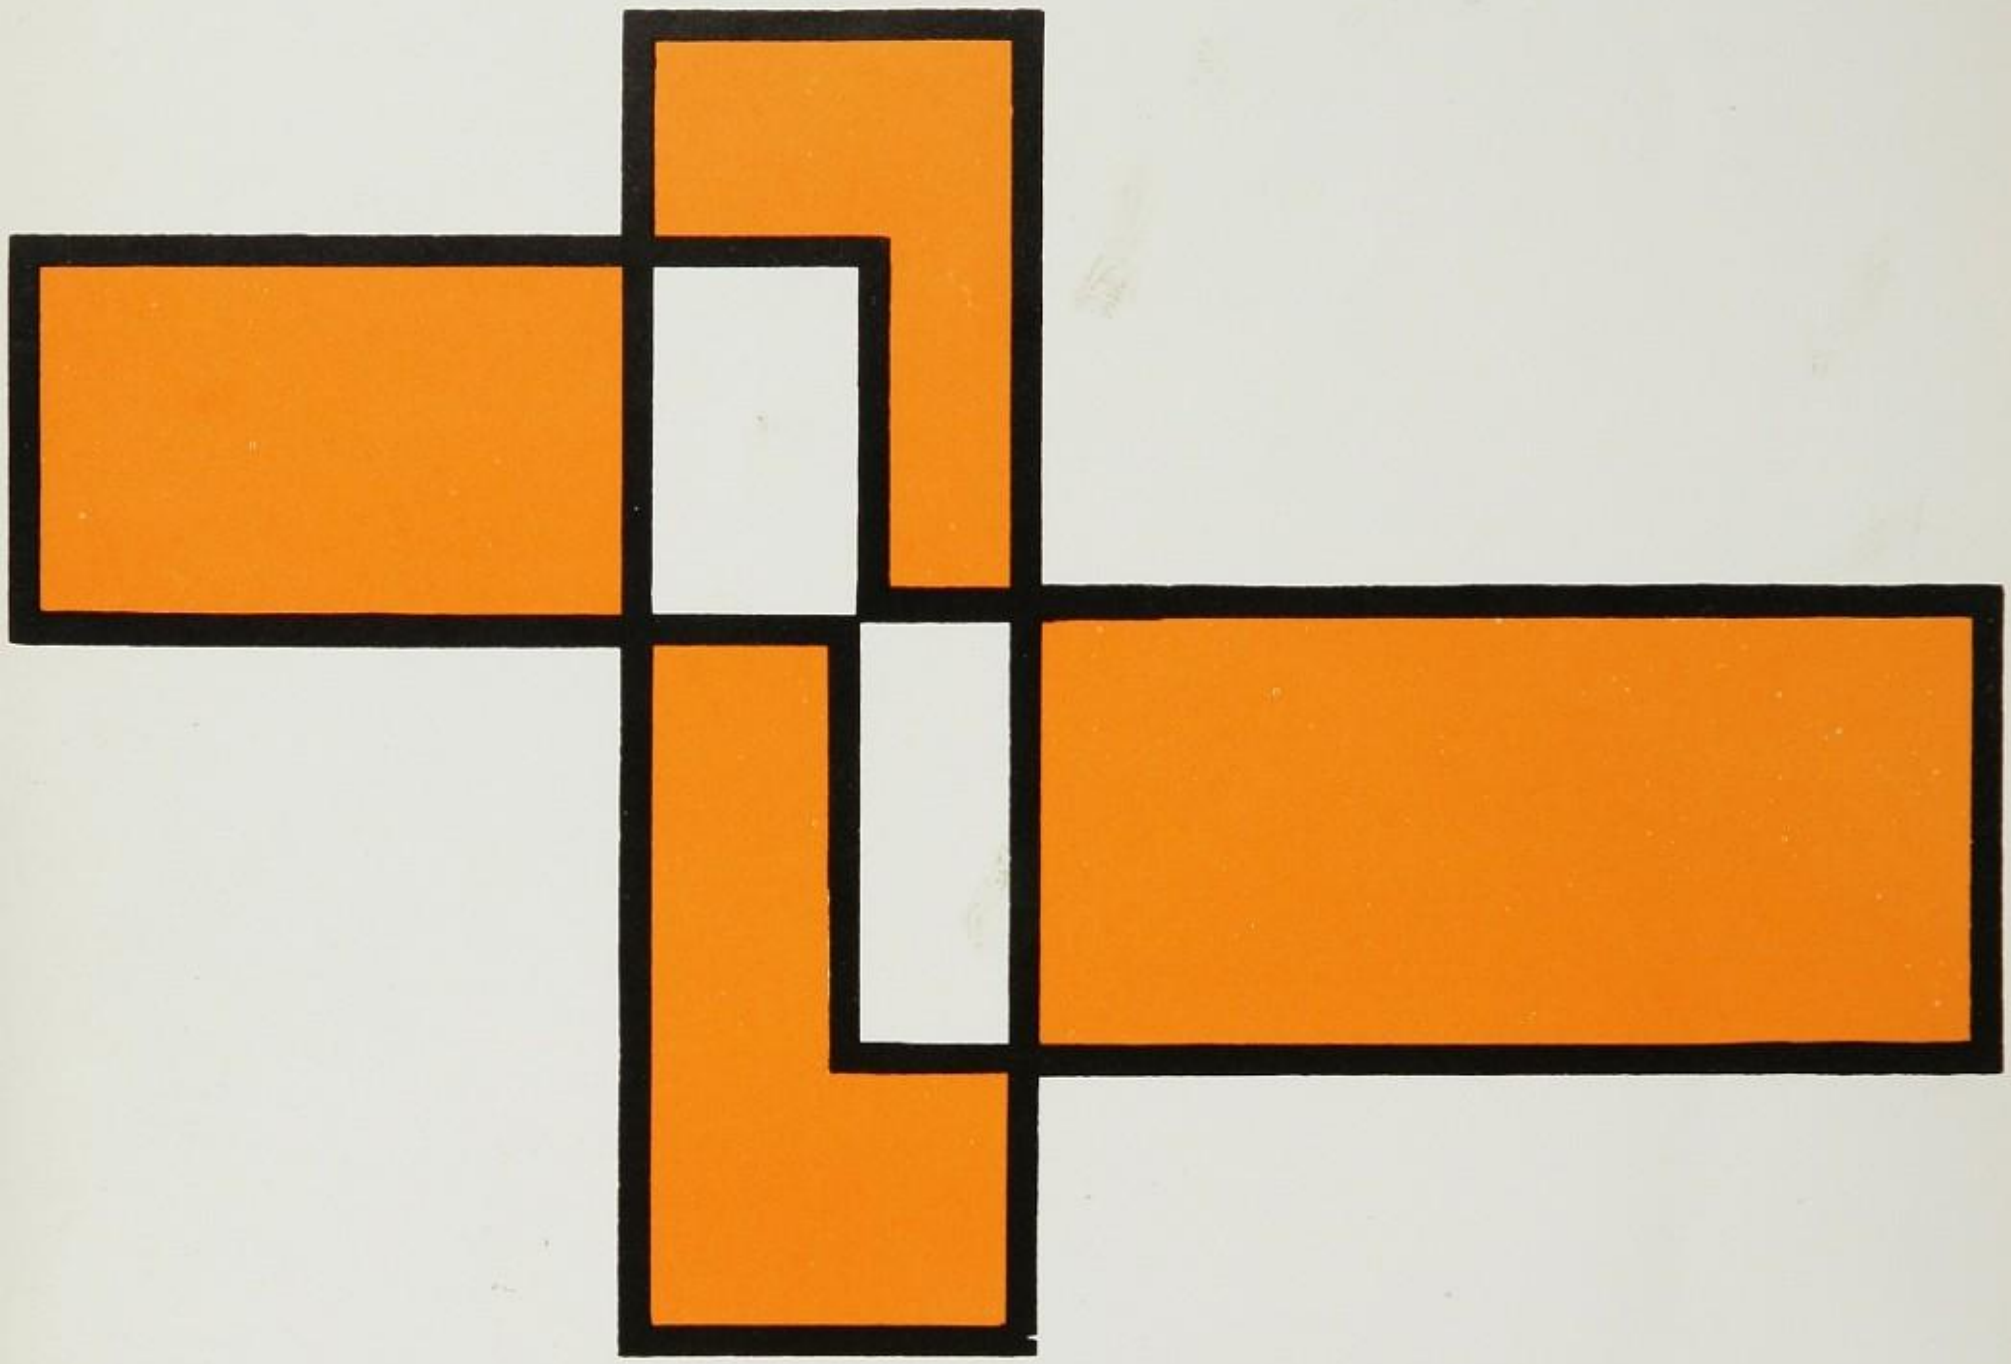
UNDERCLASSMEN



JUNIORS

The path has proven to be slow and tiresome but after three years of expectation the juniors are finally reaching their destination . . . seniority. The class of 1961 faced their third year with hope and enthusiasm for the things to come. The pace slackened however until the point arrived when a big push was needed—a clear view of their final year and supreme reign of other students. In spite of the lagging, the juniors forged ahead of other classes in spirit, scholarship, and athletics thus rendering in the end a fine record of worthwhile accomplishments.

Junior Class Officers (left to right): Charles Hoffman, Treasurer; Gary Sawaya, Vice-President; John Benton, President; and Victor Player, Secretary.

SOPHOMORES

The class of '62 has reached the half-way point in their striving to be ruling seniors. They stand on legs uncertain of the future and the things to come. At any time they may "fall from the fence" and find themselves in woe. But our sophomores have taken everything in hand and have proven they are no more the youngsters of the school. With the full rank of upperclassmen next year, the sophomores look eagerly to the future leaving all problems settled behind.

FRESHMEN

As low men on the totem pole, the freshmen see before them three more hard, laborious years of work. Their playful commotions as little "frosh" related to those of our zoo friends will have to cease because adult life is calling them. They presented enough problems to the student body this year especially to the seniors during initiation but next year as sophomores the class of '63 will have to make a change of face completely opposite from the one in use now.

ACTIVITIES

Dances, rallies, clubs, and student theatrical performances have made up this year's list of activities. It is this phase of campus life which brings excitement and enjoyment to Saints. Activities broaden our field of experience giving us a background in many things not included in the basic curriculum but important to our later life.

Activities are a necessary part of school life, just as they are for all forms of existence. Humans and animals alike require the companionship that is offered by organized forms of activity. Here, at Saints, there are organizations for those interested in practically any field preparatory to future life. They range from radio, math, and science clubs to music, speech, and foreign language clubs; not to mention numerous dances and social events—all supervised and directed by the energetic members of our faculty.

Spiritual Life

"Actiones nostras, quaesumus, Domine . . . " so begins each period at Saints with a common prayer for guidance. The importance of religion at Saints can be seen when everything on campus comes to a halt as the Angelus bell rings at noon. The campus liturgical life is climaxed each week by a dialogue Mass every Friday in the gym. To renew the spiritual activity of the students, several retreats were held throughout the year. Each retreat day was spotted with conferences, prayer, and meditation. Father Keane, the school chaplain, was available at all times for spiritual consultation. Such groups as the Y.C.S., the Sanctuary Society, the Altar Boys, and the Schola Cantorum also stimulated and promoted the spiritual life which is essential to the atmosphere of Saints.

Members Schola Cantorum sing at Christmas assembly.

A. S. B. Officers, Left to Right: President R. Padberg, Vice-President J. Mullen, Secretary A. Gontang, Treasurer N. Vitalich, Comm. of Elections P. West, and Comm. of Athletics V. Ricchiuti.

Associated Student Body

Meeting every Wednesday at noon, the Associated Student Body Council represents the student body in the government of the school. Moderated by the Rev. Charles J. Danaher, O.S.A., the group was composed of the four class officers from each grade along with the athletic and election commissioners, and the four A.S.B. officers, President Robert Padberg, Vice-President Joseph Mullen, Secretary Allen Gontang, and Treasurer Nicholas Vitalich. Under Bob Padberg's acute supervision many impressive patterns were set. A new tradition on campus was begun, that of singing the Alma Mater after basketball games in addition to singing it after all football games.

Highlighting the year of A.S.B. activities was the A.S.B. Ball held this year in the spacious Palm Room of the Grant Hotel. Surprising everyone was the crowning of a sophomore and his date as King and Queen of the Ball. Nick Hooker and his date Evelyn Gentry won the titles by audience applause after the dance contest.

Heated discussions always prevail at A.S.B. meetings.

A gay time was had by all at the annual A.S.B. Ball.

Senior Class Officers, TOP ROW: Vice-President M. Stafford, President G. Clause. BOTTOM ROW: Secretary P. O'Malley, and Treasurer J. De Scisciolo, gather for a typical pose.

Senior Court

The A.S.B. Council also enforces school regulations by maintaining a Senior Court. In turn, the Senior Court helps to maintain a "ground-observer corps" of convicted student law-breakers. This exclusive organization, directed by Mr. Finan and Father McLaughlin, does its part to keep Saints' campus immaculately clean.

Seven Court Officials, Left to Right: Pros. Attorney R. Baumgarten, Secretary E. Richeson, Judges M. Stafford, G. Clause, J. Mullen, and J. De Scisciolo, Defense Attorney R. McMillan, hear the case of a beanie-less freshmen.

Senior Vigilantes, Left to Right: F. Gary, B. White, M. May, G. Rivera, B. Baumgarten, P. O'Neal, R. Hopgood, B. Vasquez, and C. Kottman.

Formally Stepping Out

From September to June, Saintsmen socialized formally at such memorable occasions as the Football Prom, which captured the spirit of our gridiron success, and the Halo-Hop, when many Alumni returned to make the scene. The annual A.S.B. Ball, held at the Palm Room of the Grant Hotel, the Junior Dance, and the Junior-Senior Prom, rounded out the remainder of a much enjoyed schedule of formal dances.

Many a Saintsman will remember this year's informal get-togethers held in the gym. "Saints' Soundoff" ushered in football season, and such affairs as "Revelry in Rhythm" and "Oldie But Goodie" provided after-game entertainment. Halloween boasted "Monsters' Mingle," the Senior Class's "Hoe-Down" brought a delightful change of pace, and the semester hop was appropriately dubbed "Half-way Hassle." The Easter Monday Ball and the C.S.F.'s ever popular "Blue Balloon Bounce" were once again highly successful. This year found Saintsmen dancing to records but once, bands being constantly employed.

Mu Alpha Theta

A chapter of the national Mu Alpha Theta Mathematics organization was founded this year at St. Augustine by RAdm. P. F. Dugan, U.S.N. (ret.). The members were composed of the Senior and Junior Honor Sections of 4-A and 3-A. The general purpose of the club was to promote mathematics and this was done by the members participating in several math contests placing high in all. The members also staged a Mathematics Field Day for San Diego and surrounding parochial schools. Speakers from Convair and other organizations also addressed the club during the year. Three San Diego newspapers spotlighted the group as main articles in their youth sections.

Officers (l. to r.) Treasurer Fred Gary, Vice-President Paul Nacozy, Secretary Bill Conlen, President Dave Deneau and RAdm. Dugan, Moderator.

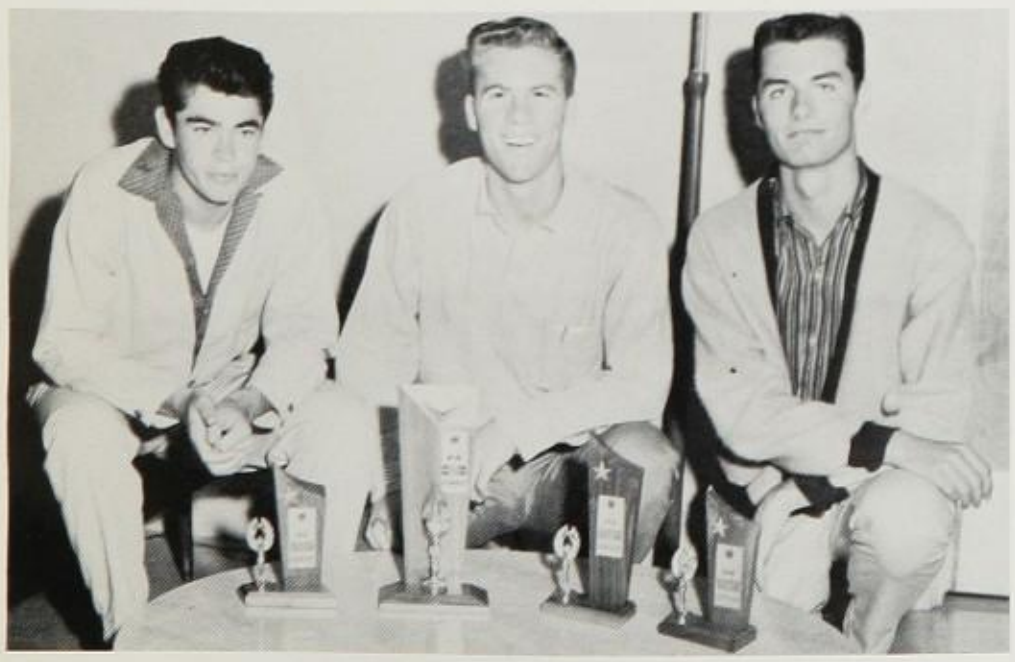
Speech Club

To supplement the lack of a public speaking course here at Saints, the Speech Club was organized this year as a new campus opportunity. The club, which is moderated by Father Wasko, offers training in the art of speaking and has also participated in several local speech tournaments this year. Among the most notable of these contest in which Saints was represented, were the Toastmasters International High School Speech Contest and the Lions Club Student Speaker Contest. Officers of the club are George Martinson, President, and Joe Sullivan, Vice-President.



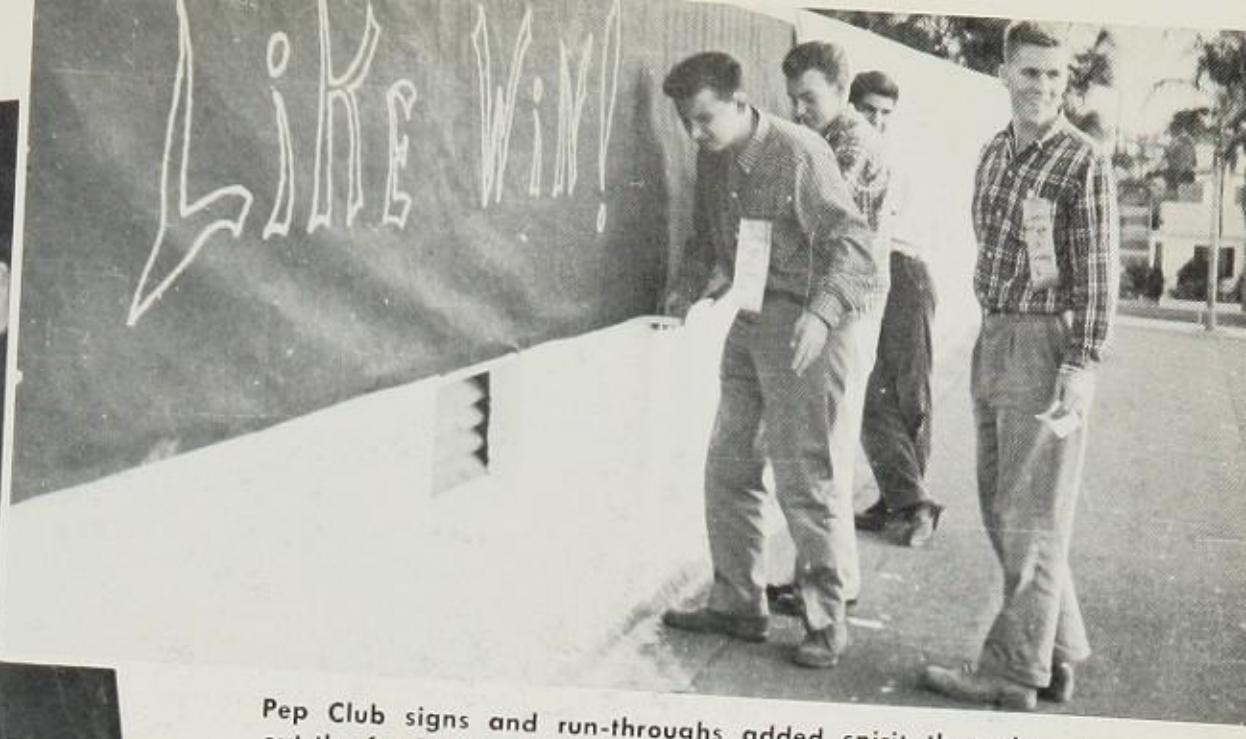
K. Roye, R. Padberg, and P. Baldridge pose with trophies won at the Lions' Speech Tournament.

Pep Club

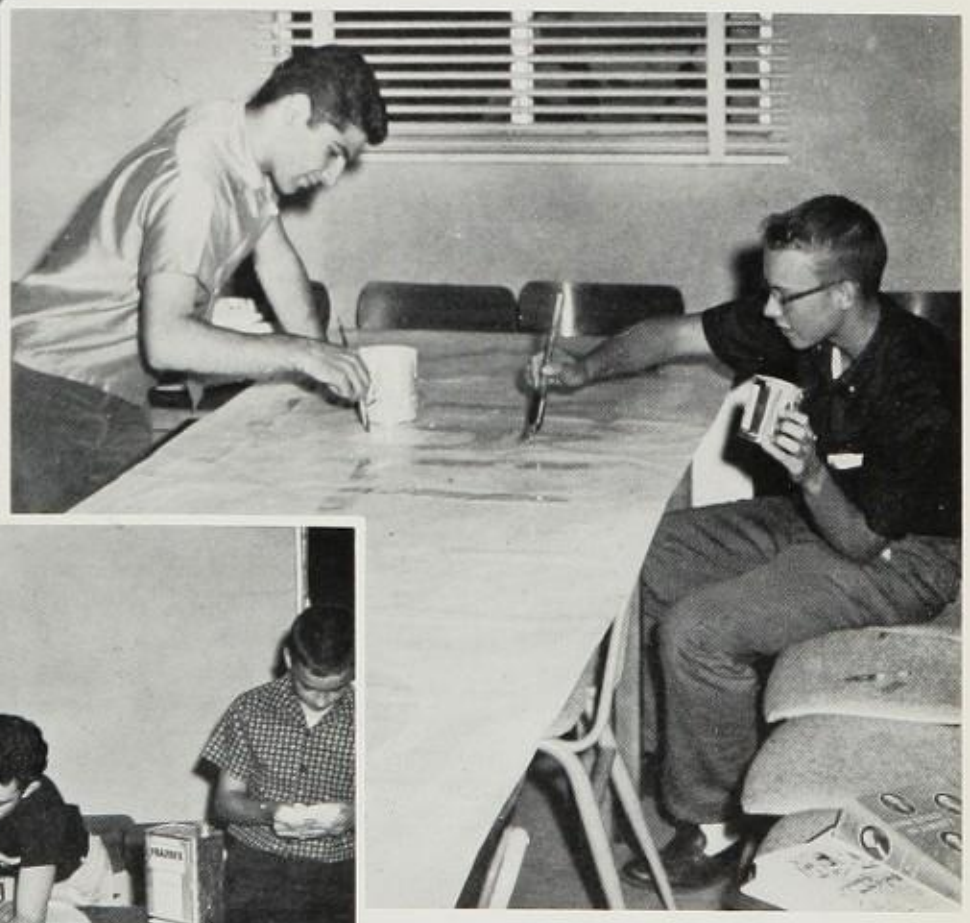
Pep Clubbers surround smiling Fr. Gallimore. Officers, FRONT ROW: T. Laliberte, and C. Whitney, sgts.-at-arms, P. Gontang, president, R. Ordona, vice-president, and Gary Sawaya, treasurer.

For their second consecutive year, Saints' Pep Club has turned out to be certainly one of the largest and most active organizations. Aimed at promoting school spirit around campus, the group was kept busy all year making football game ribbons, posters for games and dances, and run-throughs for the football season. Decals also were made under the acute direction of Fr. Gallimore, faculty moderator. For the homecoming the Pep Club concentrated their efforts in spirit posters, megaphones, and putting a giant helium filled balloon over Balboa Stadium. The Junior-dominated club had Pete Gontang as president, with Gary Sawaya, Rudy Ordona, and Don Birt filling the rest of the office seats. With so much underclass talent found this year, next year's Pep Society should really outdo the two past years in spirit and enthusiasm.

Secretary Don Birt finishes a billboard for Sheehan Hall.



Pep Club signs and run-throughs added spirit throughout the football season.

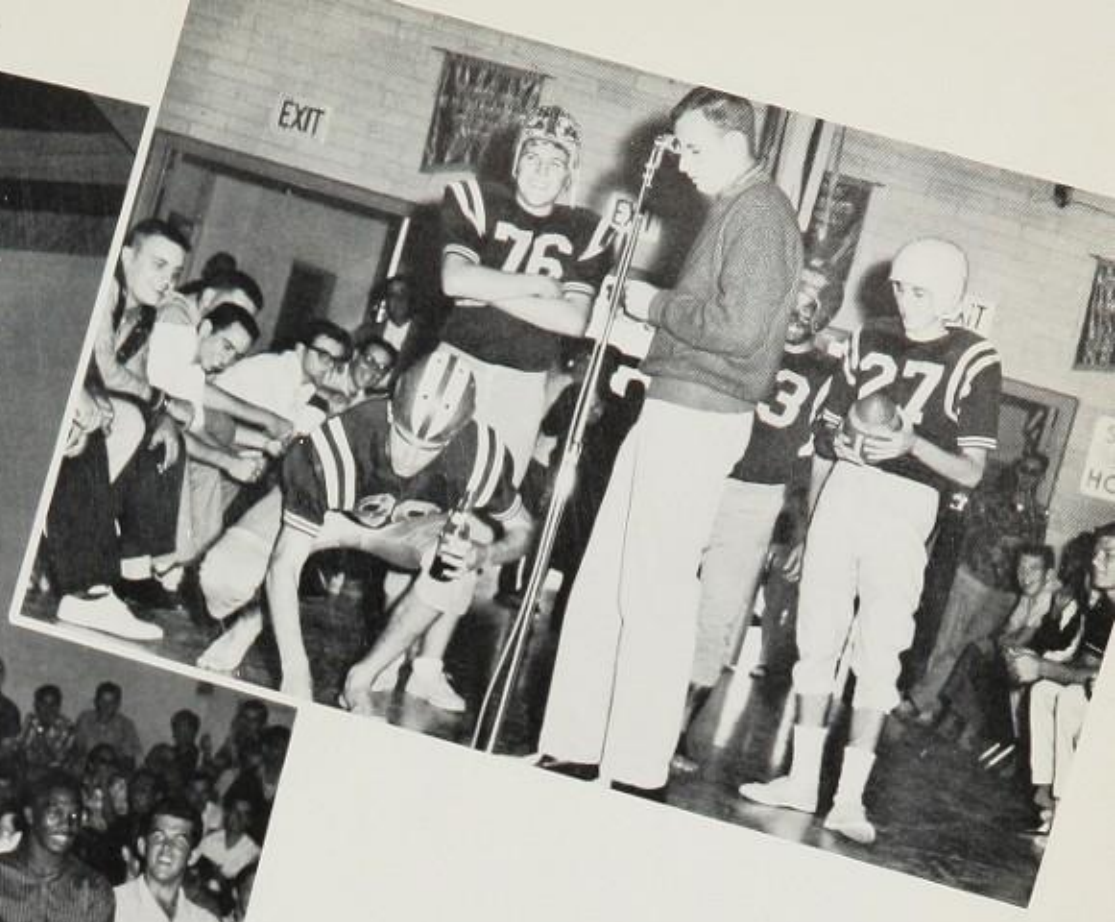


Pep Club all year included making posters, ribbons, signs, and decals.

RALLIES

The fiery spirit of the team and entire student body was sparked by weekly rallies during football season. These assemblies, presided over by Bob Padberg, provided a vent for pent-up emotions in yells enginered by the four cheerleaders. A serious note was brought out by Father Aherne or one of the coaches, and a humorous note was given by Sherman Manard, Sebastion D'Amico, John Glenn, Mike Freed, John DeScisiolo, and Gary Gersten. Of course, the indefatigable band was on hand to enliven the crowd with music.

Something unique this year was the Christmas assembly held before the holiday vacation and staged by the Father Gallimore's Pep Club. A group of boys from below the border also added to the spirit with their rendition of 'Jingle Bells' in Spanish.



Clockwise starting with Left: D'Amico shows us how it's done; "Now for your next question. . ."; "Set . . . one, two . . ."; wheee-e-e!; the four horsemen; "uno, dos, tres . . ."; Oh joy! Santa finally came to Saints. Now we've seen everything.

The Augustinian

We give you **The Augustinian!**

The common student who pauses to peruse the pages of the school paper does not appreciate the time and effort which goes into each issue. Tony Tafoya, editor-in-chief, assigns the articles in advance to faithful reporters who feverishly attempt to meet the deadline. Under the watchful eyes of Joe Sullivan (news editor), Don Birt (features editor), and Bill White (sports editor), these articles are proofread and retyped. Photographs are collected and prepared under the direction of Tony Laliberte, while advertisements are solicited by Mike Freed. Mr. Ramon Bonomo, faculty moderator, supervises the entire operation.

The printer's light burns bright at midnight when the paper goes to press. Last-minute news must be written, copy corrected, and the pages composed.

When **The Augustinian** is finally distributed, the staff takes a moment to read the finished product, then starts work on the next issue.

Saint Augustine

Marching Band - 1960

Continuing its tradition of excellence and fine performance, the Saint Augustine Marching Band appeared in many of the most important city parades, contests, and reviews this past year. Most notable of the events participated in were the North Park Toyland, March of Dimes, and Mother Goose parades.

The Band under Mr. Henry Frabotta's able guidance and Drum Major Bob Padberg's strong leadership, made its way to Long Beach to lend its talents to the All-Western Band Review in November. The Band also made a big hit with the audience at the annual Maytime Band Review in National City. Being featured at the Variety Show and at Graduation exercises, the Band continued to work diligently throughout the year to keep its reputation as one of San Diego's best.

Homecoming Day 1959 began enthusiastically with a Mass in the gym celebrated by Father Thomas Galindo, who was assisted by other alumni, Fathers Ryan and McLaughlin. An afternoon rally was highlighted by a fine speech given by Mr. Ernest Agee, class of '43. At half-time celebrations that night at the football game, homecoming queen Pauline Olkowski of Rosary High was crowned. She and her court, Barbara Turine of Regina Coeli, Nancy Wood of Cathedral, and Kathleen Young of Our Lady of Peace Academy, sat through the rest of the game watching Saints' win over Mission Bay High to rack up its first Homecoming game victory in 5 years.

California Scholarship Federation

United under the California Scholarship Federation are the boys from St. Augustine who achieve top grades. The C.S.F., a state-wide organization, is open to tenth, eleventh, and twelfth grade students who accumulate enough honor points from grades received. Moderated for the 4th year by Father Donald Williams, O.S.A., the C.S.F. staged for the 3rd year the Blue Balloon Bounce. Members of this organization are: D. Deneau, G. Martinson, R. Padberg, V. Richiutti, D. Shields, J. Villarreal, C. Kottmann, V. Rodriguez, B. Stelmach, F. Gary, R. Stenger, P. Nacozy, P. O'Malley, L. Salazar, J. Mullen, Q. Whelan, P. Langlois, N. Bridger, D. Dugan, J. Young Christian Students

Listening to Jim Lehmann are (left to right) Tom Padberg, David Chevillon, Dennis Ebel, Clifford Kottman, Fr. Patrick Keane, Bob Padberg, Walter Layman, Joe Sullivan, and Lehmann.

Organized to form Christian leaders and to Christianize society, the Y.C.S. is one of the least known but most active groups in the school. Moderated by Fr. Keane, O.S.A., and Clifford Kottman, the president, the Y.C.S. meets once a week to discuss Christian solutions to student problems and to plan its projects. Saints' Y.C.S. has held days of recollection for all the Y.C.S. groups about San Diego, and has put on a dinner-dance. Other projects were erecting the annual Christmas Crib, increasing support at Masses, and promoting an overall Christian atmosphere on the campus.

Schola Cantorum

Under the devoted direction of Fr. Neely, the Schola Cantorum has continued to be a great asset to the spiritual life of Saints. Week after week, the group is faced with singing a different Proper for each High Mass but their Gregorian is unparalleled. This is the third year of the Schola's successful and inspirational existence.

The members of this organization consist of Mr. Wolff, Mr. Bonomo, Mr. McLaughlin, Mr. Maher, Dan Preston, Dennis Ebel, Daniel Dugan, Larry O'Connor, Vic Rodriquez, Eugene Young, group organist, George Martinson, Vincent Biondo, and Jim Lorentz.

Music Club

(L. to R.) N. Bridger, Dale Danforth, D. Chevillon, B. Stelmach, D. Dugan, D. Gorsich, D. Ebel, S. Gillespie, B. Gaulthier, and Mr. Wolff.

Making its appearance on the campus this year, the Music Club was formed to provide enjoyment for classical music lovers, jazz devotees and anyone who enjoys "just good music." The club is run on a purely informal basis with formal organization held to the barest minimum so that the majority of the noon meetings can be devoted to playing recordings loaned by members.

Radio Club

Generating electronic interest, the Radio Club has been re-established this year with Mr. Bonomo as moderator. The members hope eventually to complete a ham station here on campus. They plan to obtain surplus military radio and electronic equipment for this purpose. The members are moderated by Mr. Bonomo.

Radio Club members surround moderator Mr. Bonomo, and president D. Chevillon.

Chess Club

Under Mr. Bonomo's moderation, the Chess Club is continuing in its sixth year of intramural competition. Playing games during noon, twice a week, the players use the ladder system of rating. The Club is trying to arrange competition with other high schools in town. The Chess Club elected Claude Jones, President and John Alkazin, Vice-President.

Red Cross Council

Red Cross members are L. Sullivan, M. Bujazan, D. Preston, J. Champion, J. Sullivan, M. Fitzgerald, N. Vitalich, and J. Benton.

Once again the Red Cross Council has appeared on compus this year. The group is moderated by Fr. Keane, and headed by juniors Nicholas Vitalich and John Benton. The purpose of the Junior Red Cross school group is to carry out and help support the aims of the National Red Cross. This can be done best by various projects, such as holding Christmas parties at the hospitals, and collecting money for the San Diego chapter of the organization.

Bowling Club

The Bowling Club was begun by Coach Bojorquez to give all those interested a chance to participate in an extra-curricular sport. Bowling at Aztec Bowling Alley, the forty members were enrolled in The American Junior Bowling Congress. In their first year of competition, they captured the San Diego Junior City Championship. Praise should be given to some of the members who have greatly contributed to the success of the club. Among these are: Frank Yurcich, Bill Cook, Handly Cook, Fermin Espinoza, Jim Ables, and the lone southpaw, Joe Dibos.

St. Thomas More League

The St. Thomas More League was formed at St. Augustine this year to educate interested students in the principles of the laws which govern mankind. Through discussions and talks the members attempted to gain an appreciation of the efforts of man to govern fellow man. They studied and criticized laws and constitutions from the time of Hammurabi to the present, and discussed methods of improving government.

Ross McMillan served as chancellor of the group, with Paul Nacozy as vice-chancellor. Mike Stafford was elected clerk.

R. McMillan welcomes P. O'Malley and T. Sexton in as new members under the approval of (left to right) T. Gilham, J. Collins, P. Nacozy, S. Manard, R. Padberg, N. Vitalich, M. Stafford, and G. Clause.

Members (left to right) F. Steinauer, F. Gammichia, W. Wasem, W. Bottmer, Mr. G. Weber, moderator, M. Fitzgerald, L. Jackson, J. Asher, R. Richter, C. Marciel, and T. Padberg.

German Club

Formed for the third year under the direction of Mr. Gerald Weber, the German Club again set out to have fun in a foreign language. The majority of the members were recruited from section 3-B's German class, with Ray Richter serving as president.

Highlights of the club's activities were their trips to the mountains, including a snow party. The interested students also ate a German meal at the Rhinelander Restaurant in La Jolla and viewed a travelogue on Deutschland at the Russ Auditorium.

Mothers' Club

Our mothers, guided by Father Williams, were very active this year in their work sponsoring various events.

They started out by holding a canasta party in various homes around the city. At their meetings they have had speakers such as the school nurse, and Fr. Wasko who later put on a one act play which he wrote himself. Fr. Williams' French Class also put on a demonstration of their abilities. At their annual fashion show a band composed of students from Saints was presented, a quartet was introduced and a song written by Father Williams was played. Later in the year the annual Ham dinner was held.

All things counted, we would like to thank the Mothers' Club for the splendid job they have done towards having a closer connection between parents and students of Saints.

Fathers' Club

The Fathers' Club has once again provided a fine job of backing up Saints. Under Fr. Garrett's able direction, the fathers sponsored the highly successful Easter Monday Ball and the Family Picnic later in the year. Another undertaking that profited Saints was the yearly scholarship given to an entering freshman. Surely, a hearty load of thanks goes out to them from the whole student body.

Alumni Association

Again this year as in the past, the Alumni Association, guided by Father Keane, '44, proved to be a great asset to our school. Among their many activities we can count the Twelfth Annual Football Prom held at the El Cortez Hotel at which trophies for the best lineman and back were awarded to Sal Moceri and Pat O'Malley respectively. The Association sponsored the annual Parochial Schools' Basketball Tournament. All year round they provided trophies for the winners of the various intramural sports.

The staff of the Saintsman '60 would like to thank the Alumni Association for their great work, and encourage the graduating class to support their Alumni Association.

The annual school science fair was held on March 8, under the supervision of Father Garrett. There were about 60 entries, with six chosen to go to the Greater San Diego Science Fair. Daniel Dugan won second place in the Physics division of the competition while Clifford Kottman took the second place ribbon in the Math division. The team of Alex Svatko and Wilbur Percival won first place in the Senior Groups Botany division.

In the senior chemistry division the team of Chuck Whitney and Tony Laliberte won third place. All told four of the six exhibits came home with ribbons.

Dan Dugan also captured the school's sweepstakes ribbon with Kottman carrying a close second. Freshman Mike McGeary won the blue ribbon in the junior division.

SPORTS

Up and over with inches to spare—symbolic of the well-rewarded efforts from the athletic side of Saints. In past years, and undoubtedly in years to come, Saints has succeeded in everything from hurdling to punting. Taking part in all CPL sports, we have managed to make our mark.

This year aided by an improved football field and track, a new enthusiasm in sports has appeared—generated not only by the teams but by a loyal and interested student body. The encouraging results were seen especially during the football, baseball, and tennis seasons making this year one of the greatest in the athletic history of Saints.

FRONT ROW: Roger Hopgood (Mgr.), Larry Soria, Michael Moses, Victor Player, Dennis Shea, Joseph Mullen, Patrick O'Malley, Raymond Castro, John Wagner, Mark Lapinski, Paul Nacozy, Richard Kadlubowski (Mgr.). **SECOND ROW**: Robert Ramos, Wick Hauser, Nick Vitalich, Carlton Bledsoe, Tony Gilham, George Clause, Dennis Shields, Robert Romero, Charles Vallejo, Robert Butler. **THIRD ROW**: Coach Tom Carter, Michael Crotty, Michael Burns, Raul Martinez, Oliver Walker, Uvaldo Martinez, James Lehmann, William White, Charles Hoffman, Richard Sherry, Peter West, Clifford Kottman (Mgr.), Coach Len Smorin. **FOURTH ROW**: Steve Hunyady, Michael Stroginis, Michael May, Thomas Twomey, Mickey Frank, Robert Whelan, Sal Moceri, James Collins, Jake Crawford.

This year coaches Carter and Smorin greeted an experienced team made up to a large extent of Saintsmen who had been groomed for three years. In their first experience playing together as freshmen, they rolled over seven opponents in a row to post an undefeated season. As sophomores on the JV they faltered to a 5-3 record.

In 1958 a team built around these same men posted a 7-2 record in tough City Prep League play, losing only to San Diego and Mt. Carmel. This year the boys reached their peak. Joined by a fine group of juniors, they made up what is, the greatest team in Saints' history. The four year record reads 26 wins, 2 ties, and 5 losses!

This Saints' team boasted the best line in the city and one of the fastest backfields. Bulwarks of the line were: Collins, Stroginis, Bledsoe, Moceri, Vitalich, Turner, Player, and Twomey.

Clause, O'Malley, and Bledsoe were excellent in the backfield. Although a tie with Hoover kept us from the City Prep title and from the playoffs, the team received a great deal of recognition. Saints' placed eight men, more than any other school, on the All League team and four on the All City team. It was the consensus of opinion that Saints' was the strongest team not in the playoffs and one of the best in Southern California — the Saintsmen heartily agree!

Our first game saw Brawley's Wildcats dominate the first quarter by recovering an on-side kick-off and driving 51 yards for the first score of the game. Saints roared back in the second quarter with the passing of Shields and Walker and the running of Clause accounting for two TD's. The second half saw O'Malley cap a long drive by going over from the two. The full measure of Saints power unfolded in the fourth quarter as Shields and Clause teamed up on an 80-yd. screen pass for the Saints fourth T.D. Walker completed the rout by hitting Gilham with a 50-yd. scoring pass. Raul Martinez kicked the extra point. Final score: Saints-31, Brawley-7.

Despite Bill White's map, Oct. 2 saw the team and a hardy band of followers oppose and beat Serra High School 12-6. After an exchange of punts, Saint's machine threatened a repeat of the Brawley rout as we scored a touchdown in each of the first two quarters. Clause and Shields hooked up on a 25-yd. pass play and Clause counted on a 20-yd. end romp.

The second half saw a complete reversal of form. Serra's recharged line blocked and tackled with a vengeance and rolled to a score. Only a last ditch effort by the line and two interceptions by O'Malley and Gilham kept the Crusaders in check. Twomey, Moceri, and Vitalich were standouts for the Saints on defense.

Point Loma shocked Saints by going 65 yards to score on the third play of the game. Their moment of glory was short-lived as Saints stormed back 60 yards in 14 plays with a Shields to Gilham pass racking up the tying score. The power plunges of Clause, O'Malley, and Bledsoe, behind the blocking of Mickey Frank and Joe Mullen, gained steadily to keep the drive in motion. Saints beat the half-time clock to send Bledsoe over from the one yard line. O'Malley ran the P.A.T.

So completely did Saints big line dominate the game, that Point Loma didn't earn a first down until the 4th quarter. Only fumbles and an intercepted pass kept Saints from a larger score.

October 16, homecoming, saw Saints live up to a growing reputation of slow starts as Mission Bay recorded the first score to lead at half time 6-0.

Action in the second quarter was hindered by a thick blanket of fog which completely obscured the field. Despite this handicap, Saints roared back to shake Clause loose on scoring runs of 23 and 56 yards. Walker ran the conversion.

Saints threatened in the final quarter only to fumble the chance away on the Buc's one. Strogins and Collins were outstanding in the line.

Saints posted its first shutout in three years aided by the outstanding defense played by Turner, Soria, Nacozy, and Whelan.

Saints met Hoover High School at Hoover on Friday, Nov. 6. Following the opening kickoff Saints hit 62 yards in six plays, with quarterback Oliver Walker passing to end Tony Gilham for 38 yards and the score. Raul Martinez converted making the score 7-0. In the third quarter the Cards went 53 yards in 10 plays for their T.D. to tie the game.

In the fourth quarter, led by the running of Moses and Clause, Saints charged down to the 25 where a fumble stopped the drive.

Saints outgained the Cards but Hoover had the edge in plays 46-16 and that was the story of the game. Saints' lauded line weakened by the loss of Bledsoe, Collins, and Stroginis couldn't break up the Hoover ball control.

Bledsoe goes by "Prime" McClendon.

The San Diego game was a great game, perhaps the greatest ever played by a Saints team.

San Diego took the opening kickoff and rolled 45 yards to score. Oliver Walker brought Saints right back with a 55 yard pass to Tony Gilham. Pat O'Malley ran 15 yards with a screen pass and Bledsoe scored from the five.

The Cavers came right back by passing over Saints' line to tally making the score 12-6. Steve Simon was ejected from the game for unnecessary roughness and this cost San Diego their passing attack.

In the second quarter, an injured Clause, in the game for the first time, was stationed wide. With all eyes on Clause, Bledsoe ran 45 yards through the center of the Caver team on a draw play to tie the score. O'Malley's run for the PAT failed.

San Diego spent the second half repelling Saints' drives. Our deepest penetration was the Caver's 18 after a 30 yard Walker to Crawford pass. The whole line played excellently and was awarded the "Player of the Week" award. Gilham and O'Malley were outstanding in the defensive backfield.

Carlton Bledsoe was the outstanding player on the field, beside serving as an inspiring force to the team, he scored both TD's and was credited with half of the tackles.

Bledsoe and Gilham put on the brakes against San Diego.

Jake Crawford clears the way as Clause breaks loose.

Saints' met Crawford on the Hoover field November 13th and recorded their first league victory. Larry Turner, playing offensive fullback for the first time, gained steady ground through the middle. Clause and O'Malley rounded the ends for long gains. Crawford couldn't match Saints' power and the line sprung Clause loose on scoring runs of 7, 54, and 80 yards. O'Malley picked up the other score on a 5 yard scamper. Crawford scored 2 TD's in the second half against reserves.

Final score was Saints' 26 — Crawford 12 and increased Saints' string of undefeated games to 11 over two years.

The mighty St. Augustine squad extended a school record undefeated string to 12 games over two seasons, continued a tradition of never having lost to Lincoln, and became the first Saints' team to go through a full schedule without a defeat by whipping Lincoln's Hornets 21-6. The first Saints' score came 38 seconds before halftime, when Raul Martinez carried a 13-yard pass from Ollie Walker over the line. Eighteen seconds later a 55-yard pass from Don McDonald to Louie Tucker sparked a 70-yard touchdown play by Lincoln.

George Clause ran his season scoring total to 66 pts. late in the third quarter by returning a punt 52 yards. Less than one minute later Tom Twomey, a 6'-3", 206-pound tackle, scooped up a fumble by McDonald and pounded 28 yards to a touchdown.

Raul Martinez placed all three conversions. Running plays by Pat O'Malley and Geo. Clause, and hard blocking by the huge line contributed to the victory.

Junior Varsity

Although overshadowed by the varsity, the junior varsity football team ended the 1959 season with an excellent record of 4 wins, 2 ties, 2 losses. Coaches Rip Bojorquez and Bernie Flaherty led the team into their first game against Mar Vista, which resulted in a 6-6 tie. Point Loma, a traditional rival, was defeated, 13-0. Mission Bay and Coronado were downed in order, 13-7 and 25-6.

The team opened league play against San Diego's strong squad, who squeezed by the Saints 6-0. The following week Hoover was held to a scoreless tie. St. Augustine then overpowered Crawford with a score of 7-0. In the final game of the season, a championship Lincoln team won by a score of 25-13.

Pat Barry, Winston McColl, John Nettles, and Henry Daniels were tabbed as outstanding backs. Ron Cota, Joe Howe, Walt Casey, and Jim Hicks served on the line.

Tom Delaney was forced out of the season by an injury in the San Diego game, while Richard Harrold was hurt in practice.

The year 1960, marked the debut of Joe Galindo as head basketball coach at St. Augustine. He greeted one of the smallest squads Saints' has had in recent years, with only 8 players suited on several occasions. He had the added misfortune of fielding a fine team during a year when all the other league teams were "loaded." Despite this handicap, the team whose starting lineup often included sophomores and juniors compiled a creditable record of 9 and 11, which included several losses by 1 or 2 points.

Lead by co-captains Jake Crawford and Raul Martinez, we scored fine victories over Crawford and San Diego to finish fourth in the City Prep League.

Jake continued a growing Saints' tradition of leading all other players in the C.P.L. scoring race with 375 points. Raul Martinez netted 275 points for 7th place among scorers and he also was named to the Brietbard All-City team. Both Jake and Raul had previously been named on All-League squads. A first for Saints' was marked in 1960 when our varsity met the varsity team from University High. During the two contests, Saints' showed a clear superiority winning by the scores 83-28 and 85-34.

Saints' produced a fine representative team in 1960 which at times displayed exceptional ability. We saw an excellent season pass, one which can be looked back on with pride.

Freshman Basketball

This year's freshman basketball team compiled one of the finest records ever achieved by a Saints' Frosh team. Led by Coach Whittaker, they won ten of their thirteen regular season games excluding four victories in practice contests.

They attained their high point of the year by winning the Grossmont Invitational Tournament. Matched with 7 of the finest freshman teams in the county, Saints' won consecutive games against El Cajon, Grossmont, and Mt. Miguel to capture the championship. The school was awarded a team trophy and each team member received an individual award.

Cross Country

Coach Moriarty's cross country team this year was small in number but big in spirit, as they ran their third year in the C.P.L. Most outstanding among the leather lungs was Dan Preston who always finished near the front.

Since this year's team was mostly made up of freshmen, our future cross country team will probably be something to watch.

Preston finishes without being pushed.

Eurich gains on Mission Bay.

Cashman leads the pack of Saintsmen.

Varsity Baseball

The varsity baseballers experienced a season sprinkled with defeats but marked by the capture of the Lion's Tournament Consolation prize. With the fine pitching of Dennis Shields, Raul and Uvaldo Martinez, and junior Joe Dibos, Saints' took the title during Easter vacation. Led by Pat O'Malley and Bruce Sommers we also wrapped up decisive wins over La Jolla, Chula Vista, Oceanside, and Mission Bay. Coach Whittaker and fine team of men should certainly be commended for their work in bringing more laurels back to their alma mater.

R. Martinez, U. Martinez, D. Shields, and Coach Whitaker take a breather during practice.

Living up to pre-season predictions the varsity tennis net-men pulled victory after victory, until the semi-finals of the S.C.I.F. playoffs were at hand. The racket squad of Saints whipped past San Diego, Hoover, Lincoln, and Crawford to take the Eastern League crown. Outstanding players this year were again Marcus Carriedo, Bobby Ray, and Ruben Carriedo, all Southern California ranking players, who guided the victories. Seniors who finished their tennis career were Marcos Carriedo, Bobby Ray, Jim Bacon, Jim Caterina, Jim Frank, and Ralph Heintz.

Perry Jones, former Davis Cup captain, presents Marcos Carriedo with the Southern California Junior Sportsmanship Award for being the most outstanding Junior tennis personality of the year in Southern California.

Track and Field

With Coach Harkel's constant pushing, the 1960 track team ran faster, jumped farther, and pole vaulted higher to bring home on the inauguration of our new track the first meet victory in 3 years. Although the defeats did outnumber the victories, Saints' made good showings throughout the season, especially in the South Bay Relays. Our "A" team finished first in their division and Jake Crawford took a first in the High Jump. Track fortunes at Saints' are definitely on the rise reflecting the fine job done by Coach Harkel.

Golf

Sticking to the Saintsman tradition, the golf team kept a fighting spirit and proved to be a real threat in City Prep League action. Coached by Father Gallimore, O.S.A., and sparked by sophomore J. Byron, the team rolled to impressive victories using mostly underclass aid. For its matches, the team teed off at Bonita, La Jolla, Mission Valley, Municipal, and Torey Pines courses.

INTRAMURALS

Beginning in early fall with football and continuing with basketball, volleyball, and baseball throughout the entire school year, the Intramural program gave those members of the student body not engaged in varsity sports an opportunity to exhibit their skill. The program was aptly directed by Coach Fred Bojorquez and Athletics Commissioner Vince Ricchuiti. Credit also goes to the student referees who offered their much-needed services.

Football

Football intramurals began late in September with the school being divided into three leagues. In the American League mighty section 4C sparked by Reggie Parent and John DeScisciolo rolled over senior opponents to capture their division crown. In the National League, section 3B guided by Mike Furness came out on top while section 1C under Gary Hoffman's callings was the victor in the Pacific Coast League. In the school playoffs 3B went to defeat to 4C, 21-12. Section 1C then was slaughtered by the seniors, 27-6. In the taculty-4C contest, the game resulted as one of the most exciting in school history when 4C bowed mercifully 26-18. Outstanding faculty players were Mr. Bonomo, Mr. Flood, and Father Gallimore.

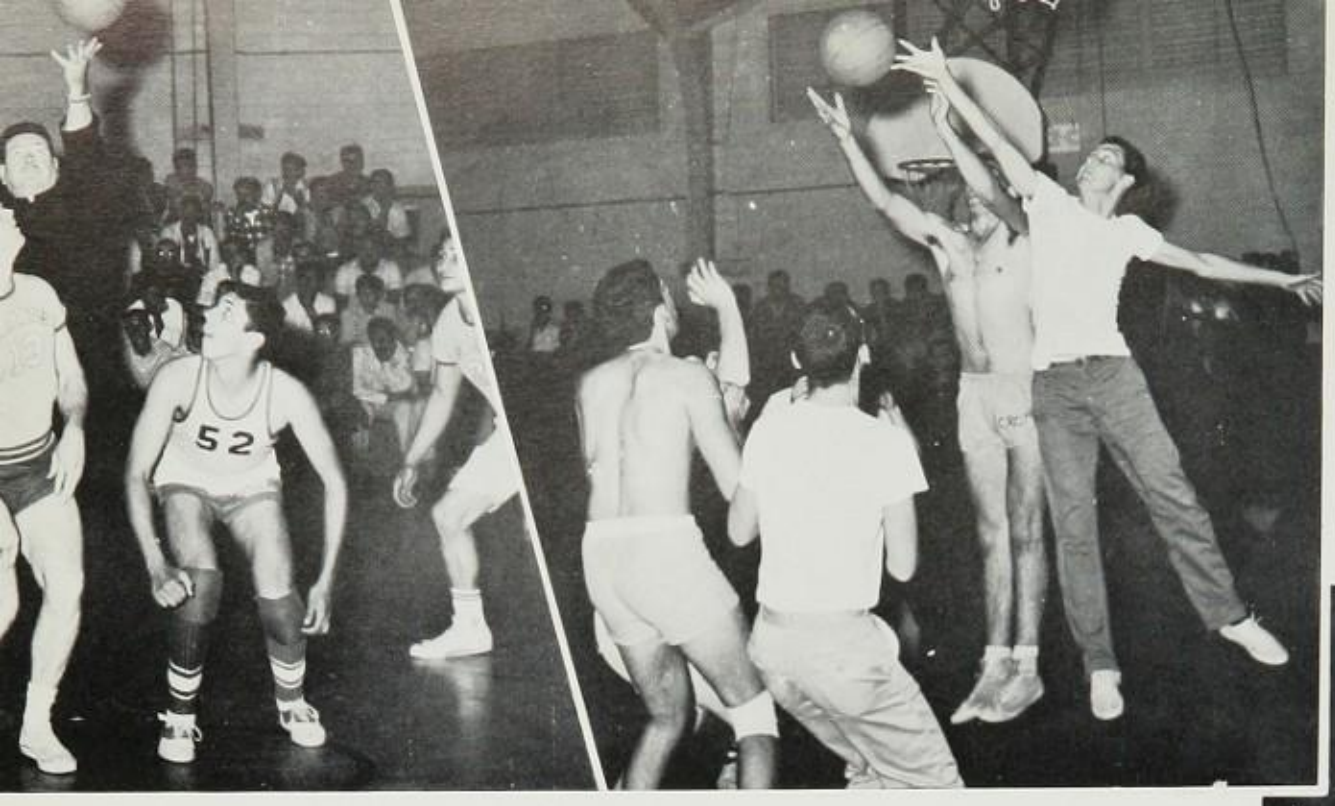
Turkey Trot

The 1960 version of the Turkey Trot was parallel to other years. About 50 boys turned out in gym shorts, etc., to run the 1.7 mile cross-country course. Held on the Wednesday before Thanksgiving, the Turkey Trot drew about 500 students lined along Bancroft Street. The winners were: first, senior Bill Farrell, a Thanksgiving Turkey; second, M. Firness a junior who received a Spring-Chicken; and third, Maurice Waters, who was rewarded with a dead duck.



Basketball

Basketball started in mid-September with all the games being played in Dougherty Gym. In the senior league, Eddie Richeson with "Gunner" Padberg piloted section 4A to a surprise victory for the division crown. Section 3A under coach Pat Barry took the junior crown while Archie Emerson's able leadership brought section 2A the sophomore title. Tom Procopio lead the freshmen section 1D to the freshman title. In the playoffs, 3A downed 1D, 15-6, as 4A went over 2A, 12-7. In the final match it was Randy McClanahan going all the way for a 3A defeat over 4A, 21-14. The faculty again defeated the students when they romped to a 58-36 win over 3A for the school title.

Volleyball and Softball . . .

Spring Final to Interamurals

These two should be ballet dancers the way they can go up after that ball together!

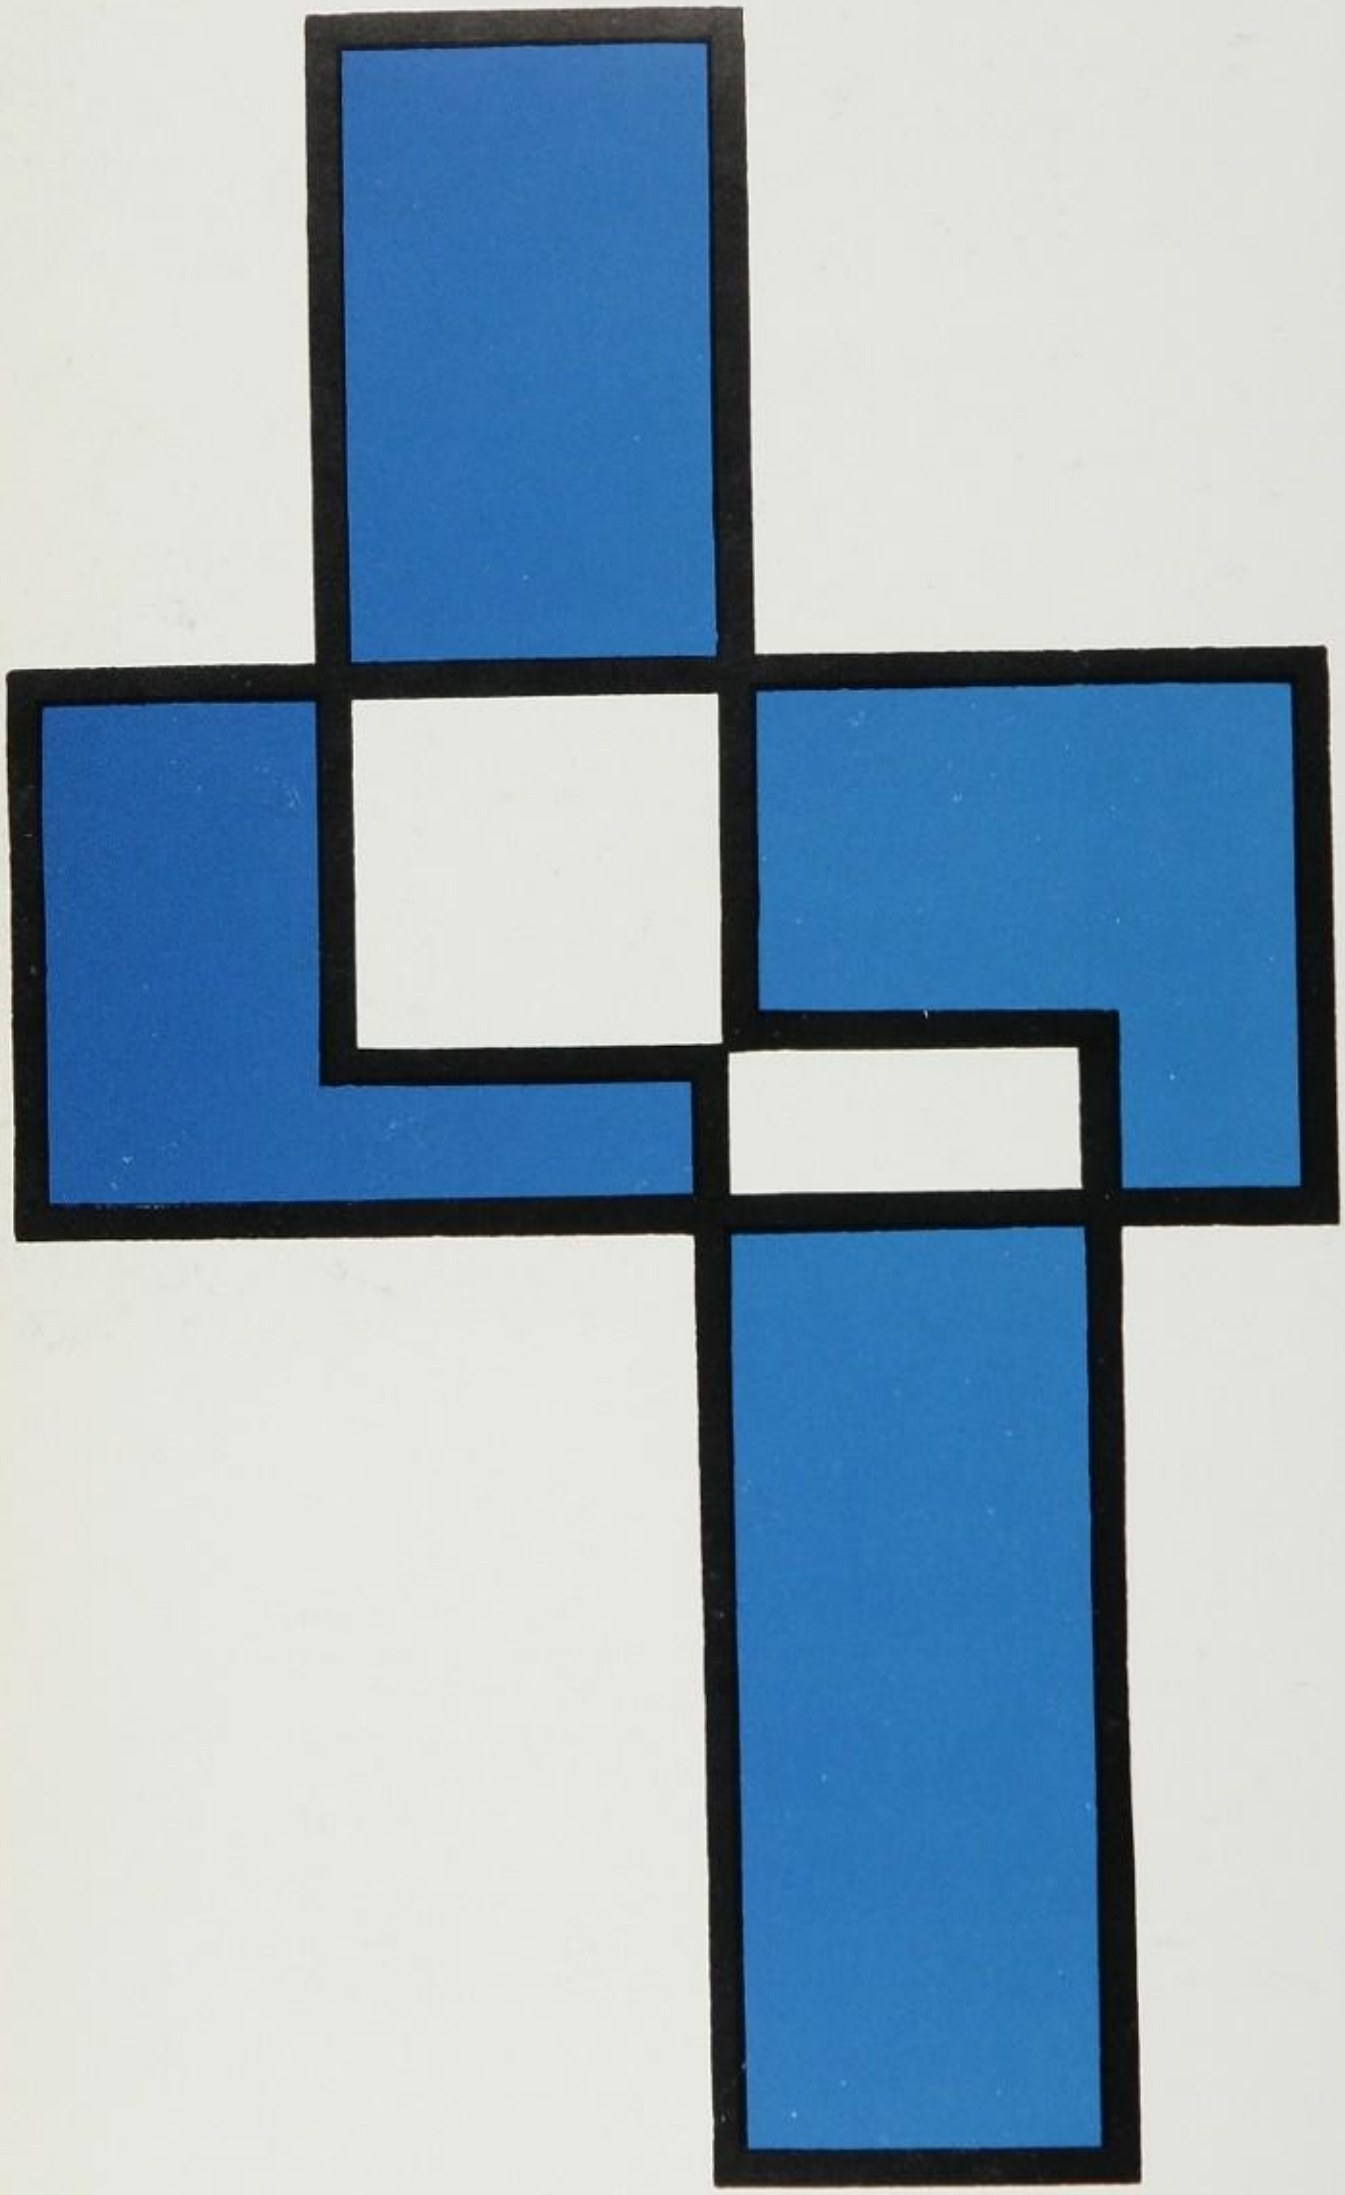
The annual deadline doesn't wait for anyone, least of all the final results of the volleyball and softball intramural standings. But whatever they will be, you can be sure that every section thinks it has a chance for the title. The noise from the volleyball enthusiasts on the lower field and the softball fans on the upper field every noon period must cause many cases of indigestion, if not to the violent, gesticulating supporters, then certainly to the neighbors who surround our spacious stadii.

Come Joe, you can't get it back over that net if you can't see where it is!

Looks like 4D again with Clause and Moceri trying to show they are volleyball players as well as gridiron stars.

Who'd ever think volleyball could be so exciting!

SENIORS



As the lions rule the jungle, the seniors rule the campus. In both size and number this year's graduating class has proved itself to be the master—in the classroom or on the football field. From the very beginning as little cubs, the class braved initiation until they themselves initiated. They rolled on to roam the campus poking at and in everything until final supremacy was gained. The graduates of 1960 can successfully look back into the past to a record in which they excelled in all fields of endeavor, asserting themselves in studies, athletics, scientific advances, drama, music, and student government. Saint Augustine High School has in four years instilled an education that sets the foundation of each senior's life. Seeing how the graduates have faced the world's problems, the old Alma Mater may well be proud of her 1960 class.

This Is It - - -

Friends,

I hope that after reading the 1960 Saintsman you will discover and agree it ranks near the top and that in the years to come it will bring back many enjoyable memories.

Let me first say that producing something that requires such work as the Saintsman does, holds its good and bad moments. Despite the look on the picture above, I really enjoyed working on Saturdays and Sundays enabling us to present to you the 1960 Saintsman. We started the tedious task in early September, and continued our laborious efforts until the last dead-line in mid-April.

Of course, credit goes where credit is due. I want first to thank my loyal and obedient executive staff, composed of Rudy Ordona, Tony Laliberte, and C. Kottman who all acted as my number one assistants. Production credit goes to Joe Busco and Bert Nestor of Busco-Nestor Studios for the excellent work done on the senior portraits; to Ross Reyman for the fine underclass pictures; to S. K. Smith Company for our cover and to Bob Hopkins of Mirro-Graphic Yearbooks for his ever-ready aid all during the year. A special wagon of thanks goes to Mr. Wade and Mrs. Hughbine of the Publicity Department for the San Diego Zoo who supplied us with help on our theme.

Other students whose help I certainly appreciated were M. Bujazan, D. Ebel, N. Bridger, Dan Preston, G. Martinson, N. DeTuri, and R. Carriedo.
